Dear Shareholder,

I am writing to inform you of an important change relating to the management of Close Technology & General VCT PLC (the "Company").

Change of Investment Manager

The following is the text of an announcement released to the London Stock Exchange on 23 January 2009.

"The Board of Close Technology & General VCT PLC (the "VCT") announces that the business of Close Ventures Limited, the manager of the VCT and one of the leading managers of venture capital trusts in the UK, has been acquired by Albion Ventures LLP ("Albion Ventures") from Close Brothers Group ("Close"). Albion Ventures has been formed by the executive directors of Close Ventures; Close meanwhile will continue to have an investment in the business.

The VCT's management contract, along with those of the other VCTs managed by Close Ventures, has been novated from Close Ventures to Albion Ventures under exactly the same terms as the current agreement. The investment approach of Albion Ventures and the investment policy of the VCT are also unchanged, with a continued emphasis on building up a broad portfolio of investee companies with no bank borrowings and the maintenance of a strong dividend yield.

As a result of this change, the VCT's Company Secretary will change to Albion Ventures LLP with immediate effect.

A General Meeting will be convened shortly to seek shareholder approval to change the VCT's name from Close Technology & General VCT PLC to Albion Technology & General VCT PLC."

In essence, while the ownership of the investment manager of the VCT has changed, the underlying investment team has not, and shareholders should note that the entire 20 strong team at Close Ventures has now joined Albion Ventures. Therefore, shareholders can be assured of continuity of the management of their company. In addition, the quality controls that were previously in place in Close Ventures including compliance, internal audit and investment committee procedures, are also in place for Albion Ventures. Your company's Auditors are unchanged.

Albion Ventures now manages all of the seven VCTs formerly managed by Close Ventures, including your own, and has some £220 million under management. Albion Ventures has also assumed the responsibility for the provision of administration, accounting and company secretarial services which were previously carried out by Close Ventures.

The transition to Albion Ventures will be carried out at no cost to your Company and Albion Ventures has met the cost of this letter and the General Meeting.

Notice of General Meeting and action to be taken

In order to reflect the change of investment manager from Close Ventures to Albion Ventures, your Board is required to change the name of the Company. You will find on page 3, a Notice calling a General Meeting to approve a change of name to “Albion Technology & General VCT PLC”.

Shareholders will find accompanying this document, forms of proxy, for use in connection with the General Meeting. Whether or not Shareholders intend to be present at the meeting, they are requested to complete and return the form of proxy as soon as possible and, in any event, so as to be received by Capita Registrars, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU by not later than 10.45 a.m. on Monday, 23 March 2009.

Recommendation

The Board believes that the proposal to change the name of the Company is, in its opinion, in the best interests of Shareholders as a whole and on that basis the Board recommends that Shareholders vote in favour of the Special Resolution to be proposed at the General Meeting as the members of the Board intend to do in respect of their own holdings of 375,812 Ordinary Shares and 331,050 C Shares representing approximately 1.46 per cent. of the Company’s issued share capital with voting rights.

Please note that your original share certificate will remain valid and you will not be issued with a new share certificate following the General Meeting.

Yours faithfully

Dr Neil Cross

Chairman

Dear Shareholder,

As you will see from the enclosed circular, I have some important news for you. The business of Close Ventures, the manager of your VCT, has been acquired by Albion Ventures, which is a partnership formed by the Close Ventures management team.

Although the manager of your VCT will therefore no longer be part of the Close Brothers Group, both the team and the quality control procedures will remain unchanged. The same team will continue to concentrate on the maximisation of shareholder value and the maintenance of a regular dividend stream. In addition, we think that the fact that a business investing in owner-managed companies is itself owner-managed is positive news for shareholders.

Please read the enclosed circular, which includes a notice of a General Meeting to approve a change of your Company's name. If you have any queries, please either write to me, or call Patrick Reeve, or one of his colleagues at Albion Ventures, at the above number.

Yours sincerely

DR NEIL CROSS

Chairman
